**Special Session on
“Environmental Policy and International Development”**

CALL FOR PAPERS

Nowadays environmental policy and international development are strongly interconnected. This session welcomes both theoretical and empirical papers that lie at the crossroad of international economics, economic geography and environmental economics. More specifically, submissions should focus on the interactions between environmental and trade policies or between environmental policy changes and the distribution of firms, production factors and income.

Keywords: *firms location, trade, environment, income distribution*

JEL Codes: *Q5, R11, F1, F2*

Special Session Organiser:

Xavier GALIEGUE and Camélia TURCU
