INFER Workshop

MONETARY POLICY, ASSET PRICES AND THE REAL ECONOMY IN CENTRAL AND EASTERN EUROPE

12-13 December 2014

Timisoara - ROMANIA

Jointly organized by

INFER (International Network for Economic Research)

and

RCEM (Research Centre for Engineering and Management)

ECREB (East-European Center for Research in Economics and Business)

Workshop Objectives

This workshop provides an opportunity for all those interested in **monetary policy, asset prices and real economy** to discuss their research and to exchange ideas. Researchers are invited to submit both empirical and theoretical papers that are broadly consistent with the workshop's special theme. The purpose of the workshop is to address the Central and Eastern European (CEE) countries case, characterized by important changes in their monetary policy framework in the eve of their accession to the EMU, by the development of their financial markets and by the fluctuations of their real economy in the context of the recent financial crisis.

Topics to be discussed during the workshop, with reference to the CEE countries, might include (but are not limited to):

Monetary Policy and Asset Prices

Banking, financial structure and monetary policy transmission

Asset prices correlation, contagion and bubbles

Monetary policy and derivatives trading

Financial volatility, uncertainty, risk aversion and exchange rates

Monetary Policy and Economic Performance

The real effects of monetary stimulus

Monetary policy and unemployment

Monetary commitments and structural reforms

Money supply and business cycles

Asset Prices and Real Economic Activity

Financial innovation and risk sharing

Credit crunch, savings and economic growth

Finance, institutional reform and growth

Exchange rate and energy prices

Keynote Speakers

We are happy to welcome the following distinguished keynote speakers:

Submission of Papers

October 1th, 2014 - Extended deadline for submission of full papers

October 15th, 2014 - Deadline for notification of review process outcomes

October 30th, 2014 - Fee payment and registration

Only full papers may be submitted, preferably in pdf-format. Papers must be in English and should be submitted at: infer2014@ecreb.ro

Paper presenters are expected to discuss one other paper during the workshop. The discussant assignments will be made by the workshop organizers at a later date. As the workshop intends to build a network in this research area, participation is welcome even without paper contributions.

Publication of Papers

Selected papers will be published in a special issue of [Economic Research Guardian](#). The participants are asked to indicate whether they wish to have the paper considered for this special issue.

We point out to the participants that the journal [Applied Economics Quarterly](#) would welcome the submission of applied articles with strong relevance for economic policy.

The procedure for submitting the papers to these journals will be specified in due course.

Registration Fee

The registration fee will be:

- INFER private members: 100 EUR,
- institutional INFER members: 200 EUR,
- non-members: 150 EUR.

Please note: the annual membership fee for private INFER members is 25 EUR only (institutional INFER members 200 EUR). You are invited to become a member!

The deadline for registration is: October 30th, 2014. Registration fees are non-refundable.

The registration fee includes all lunches and drinks. It doesn't include travel and accommodation expenses. All workshop participants have to register for the workshop. Please note that paper submission is not regarded as a registration. A registration form will be sent to the authors of the accepted papers.

Please pay the registration fee on the INFER website (www.infer-research.net). Payment can be done via PayPal on the website. Note that you can use the same website to become an INFER member.

Location

The workshop will be held at the Politehnica University Timisoara (“Rectorat” Building, “Sala Senatului” room and “Casa Politehnicii 2”) and at the West University of Timisoara (FEAA, P02).

The workshop will take place in the lovely Romanian university town of Timișoara, whose character and history will enhance interaction among participants, as well as provide an enjoyable setting. The workshop wishes to bring together researchers in an effort to discuss the latest challenges regarding monetary policy issue, asset prices aspects and their implication on the real economy of CEE countries.
